From the North:

Follow signs towards Bedford on the A6 using the Rushden bypass. At the end of the bypass take the first exit on the roundabout left following signs towards Bedford. After about 2 miles the A6 drops away into a long straight stretch. We are in the middle of the dip on the left hand side about 400 metres past the speed limit derestriction sign and our entrance is brick built with Ravensden inset into the wall. Our offices are at the end of the drive on the right.

From the South:

Follow signs towards Rushden and Kettering on the A6 which will take you through Milton Ernest. After about 6 miles you will go round a series of sharp bends in the road with woods to the right. Follow the A6 into Northamptonshire where the road will straighten out and go into a dip. We are in the middle of the dip on the right hand side and our entrance is brick built with Ravensden inset into the wall. Our offices are at the end of the drive on the right.

By Train:

Wellingborough Station is a 15 minute taxi journey to our offices.

Parking:

Parking is available on site.
