

Occupational Health and Safety Policy

Ravensden Plc specialise in the procurement and supply of animal themed giftware to the leisure market in the UK and Europe. Our Occupational Health and Safety Policy is designed to promote and maintain high standards of health and safety within our company which will protect the health, safety and welfare of all of our employees and other persons who may be affected by our company's undertaking.

We recognise that the control of all occupational health and safety matters arising from our work activities is an essential feature of our efficient operation. It is the intention of the Directors to provide a safe and healthy working environment as far as is possible for all our employees by:

- Making a commitment to prevent injury and ill health;
- Pursuing continual improvement in our OH&S Management and OH&S performance through use of our OH&S management system which is compliant with the requirements of BS OHSAS18001:2007;
- Complying with applicable legal requirements and with other requirements to which the company subscribes that relate to our identified OH&S hazards;
- Providing a safe place of work including safe access and egress;
- Providing and maintaining safe plant and equipment;
- Providing safe systems of work;
- Providing adequate and sufficient information, instruction, training and supervision;
- Providing for the safe use, handling, storage and transport of all articles and substances.

We also intend to enlist the support of all employees towards achieving the safest and healthiest possible working environment; and to encourage discussions and consultations on all health and safety issues. Co-operation, consultation and support will be sought from contractors and any other persons who might reasonably be expected to be included within such health and safety discussions. Regular health and safety meetings will be held at various levels within the company.

We also accept responsibility for the health and safety of all other persons who may be affected by our activities, this will include, members of the public and contractors.
